Abstraksi :

Some of people say that translation is a complicated subject, but in fact it is not like people think. We must know what should we do first is transferring meaning from one language into another with equivalent meaning. The writer chooses a novel entitled The Wizard of Oz by L. Frank Baum and it contains about a girl who is transported along with her dog by a  $\frac{1}{2}$ twister  $\frac{1}{2}$  to a magical realm. The purpose of this translation is to enable people to socialize themselves with others, this novel is interesting and the story is easy to understand. The method used in writing this paper is free translation, to face the problem in translating the novel. After translating the novel, the writer found many problems such as idioms, cultural context, and situational context.
