Abstraksi :

Despite some people said that the translation is so complicated, but there are some ways to make a good translation like accurate meaning and the readers are easy to understand by transferring meaning from one language into another with equivalent meaning and a style you already use in a translating process. The writer uses a free translation method in facing the problems in translating this article, in this article the writer hopes to get experience and more theories about translation. The writer chooses an article entitled Labor Day and American Worker taken from BACKGROUND AMERICAN BOOK (CUSTOMS AND INSTITUTIONS) and it contains about labour day celebrated and anything about American worker. For the writer, this article is very interesting, because learning labor day is one of knowledge about American culture background.
