Abstraksi :

Diplomacy can be defined as international relationship management with the negotiation; where the ambassador and representatives direct this relation; businessman or woman or the art of diplomacy. As diplomat, Directorate general Asia Pacific and Africa has to deal with Asia, Pacific and Africa affairs in politically, economically, culturally, socially and security. The aim of this study is to describe the duties of Directorate General Asia Pacific and Africa and to describe Pacific Islands Forum. The method used in this study is a field method. The researcher went to Indonesia Foreign Department as the site of the study. The results of the field study shows that the duties of Directorate General Asia Pacific and Africa are formulating and executing the Indonesia foreign policy in Asia Pacific and Africa. And the study of Pacific Islands Forum shows that the member still needs assistance in running their organization.
