Abstraksi :

In this research paper, the writer tries to translate a text; entitled GLAM SCAM : THE UGLY SIDE OF BEING A MODEL . This story is about three young girls who have a big dream in modelling. In their way to reach out this industry, they are facing a problem. And how they are trying to survive in this business. The writer translates this by using all the theories which the lectures had given at class. In the end this paper, the writer tries to find out the problem in translate the text and give the solution.
