kata kunci : english language - translation

Abstraksi :

In this paper, the writer tries to translate a text; entitled News and Entertainment Media. This is a story about news and entertainment media which is growing fast in America. The writer translates this text by using the theories which the lecturers had given to the writer at class. In this paper, the writer gives a theory of translation and the English and Indonesian translation text of the article . In the final chapter the writer tries to find out the problems in translating the text and the writer tries to give the solution of the problems.
